### Vaccine Administration Billing Guidelines for Commercial and Medicaid Members

You can submit claims for administration of COVID-19 vaccines for commercial and Medicaid members. Please see table above with manufacturer and administration codes.

### Vaccine Administration Billing Guidelines for Medicare Advantage Members

| For 2020 and 2021 Dates of Service   | For 2022 Dates of Service  |
|--|--|
| We're aligned with CMS guidelines. Per CMS, submit claims for administration of all COVID-19 vaccines for MA members to the CMS Medicare Administrative Contractor (MAC) for payment. Claims will deny if submitted to HAP with direction to bill CMS. | For administration of all COVID-19 vaccines on or after January 1, 2022, submit claims to HAP using the codes outlined in the table above. |
